FAIRBANKS HEARD ON KANSAS BATTLEFIELD

Vice President Tells of a United Country
and of Its Golden
Future.

Oswatimie, Kan., Aug. 31.—On the
battlefield of Oswatimie, Vice Presi-
dent Charles W. Fairbanks yesterday
delivered a stirring address to 6,000 per-
sons. The occasion was the celebration
of the 50th anniversary of the battle
of Oswatimie, in which John Brown
was a central figure. Mr. Fairbanks
said in part:

"We have not come hither to awaken
in any ungenerous sense divisions which
made this spot historic, but rather to
contrast the present with the past; to
kindle anew our patriotic zeal and to
glory in triumphs of freedom in Ameri-
ca."

The day of slavery is fast receding.
The east shadow of division has passed,
and the North and the South are knitted
together by mutual respect, and love of
a common country and a common flag.
We face the future radiant with golden
promise, resolved to make our country
one in which the dominant note shall be
fair play for all the forces which make
for the advancement of a great righte-
ous people."

Mr. Fairbanks left yesterday after-
noon for Dodge City, Kan., where he is
to speak at a Grand Army reunion.

MOB OUTWITTED.

Broke Open Mobile Jail, but Found the
Negro Gone.

Mobile, Ark., Aug. 31.—Aroused by
the reported outrage perpetrated on
white girls by Will Thompson, a negro,
a mob numbering several thousand per-
sons stormed the county jail. Wednesday
night in an endeavor to lynch him, but
they arrived too late, as their quarry
had been secreted earlier in the evening
by Sheriff Powers. Thompson has been
confined to one outrage.

The mob, forming at Bayou and Conti
streets, arrived at the jail soon after
10 o'clock. Among the leaders are said
to have been several relatives of the
assaulted girls.
With a rush the crowd battered down
the heavy outside gate and was soon in
the jail yard. The sheriff and his de-
puties armed with Winchester were drawn
up in front of the door. Not a light
showed in the jail. The mob paused only
a moment before advancing to the iron
barricade of the jail.

Sheriff Powers, as soon as the noise
subsided, pleaded with the mob to allow
the law to take its course. The answer
of the mob was a yell of approval. A
bullet fired by someone in the crowd
flashed against the brick wall and the
shot was followed by a volley by the
jail guards. None of the bullets did
any damage, the guards having fired over
the heads of the crowd. That settled
for the time all hopes of peace.

Armed with heavy hammers, the crowd
rushed to the iron-bound door of the
jail and battered it down. Unable to
use their weapons in the narrow corri-
dor inside, the sheriff and his deputies
grappled with the leaders of the mob.
In the hand-to-hand struggle, the sheriff
was quickly disarmed, but the deputies
soon rescued him.

BOSTONS WON GAME

Coombs Who Started in to

LASTED ONLY ONE INNING

Bostons Scored on Him—Chicago Na-
tionals Win as Usual—Other Games
Played Yesterday in Both
Leagues.

Boston, Aug. 31.—Connie Mack's
speedy Athletics, who are again making
a great fight for the flag, were the
attraction yesterday, and a right good
one they proved to be. The fans turned
out in force and gave the visitors a
warm welcome.

Chick Stahl said a few minutes be-
fore the game began that George Win-
ter would likely be his slab artist, while
Mack had Coombs down to twirl.

The Bostons were out to trim the
visitors, as they did the last time they
were seen in this city on Memorial day,
when they won both morning and after-
noon games. Under the leadership of
Manager Stahl the Pilgrims act as cleve-
rly on the field as they did two and
three years ago. There was plenty of
life to their play, and none of that
dragging that has marked some of their
battles this season. They showed that
they had taken a new lease of life by
trimming the Athletics 3 to 2. Boston
scored in the first inning on a triple
and two passes from Jack Coombs, who
was in the box for the Athletics. Be-
fore the end of the inning Connie Mack
took Coombs out and Dygert finished
the game.

GANS DECLINES TO ACCEPT FORFEIT

Negro Champion Says He Will Now
Meet Nelson If Compelled to
Enter the Ring on One
Leg.

Goldfield, Nev., Aug. 31.—Now that
the last concession that Joe Gans could
grant to Billy Nelson without losing
one limb has been made there is only
one limb left that may be lost.
Gans and Nelson finally be-
gan the fight for the lightweight cham-
pionship. When Gans weighed in for the
last time he will probably insist on a
little rest. He will probably have to
stare on the day of the fight, and it
is certain that he will insist on time out
for some nourishment. After he weighed
in for the fight he took a beef
steak and a little rest.

Should he try this here, there would
be a violent protest from Nolan, who
declares to the high heavens that he
will not grant the negro a single point.
But the people of Goldfield have changed
their attitude toward Nolan. They are
now strong for the patient, good-natured
black man, who has stood for insult
and been regarded here as well as
every place else as something like rank
injustice.

Siler visited the Gans camp again yester-
day and was impressed with the ap-
pearance of the Baltimorean.

"Why he does not show a rib," said
the veteran trainer. "He looks fine."
It was ladies' day in the Nelson camp.
The Dane appeared in a suit of lavender
tights which caught the eyes of the
fair guests. The Dane is popular with
the other sex here, because he is the
short end. Many a husband in Gold-
field has been asked for an increase of
pin money. The coin will all be put on
the Dane. Even in betting the bargain
instruct will show.

Nolan's conduct has disgusted even
Tex Rickard, who, up to this time, has
stood for the Dane's manager on every
proposition that has come up. It came
dangerously near being a fight. Had
Gans not been particularly anxious to
meet the Dane he could have taken
his forfeit and gone. The money was
offered him, but Gans refused it.

"I want to fight Nelson, Mr. Nolan,"
he said. "You ain't going to back out
of it now. I will fight him if I have
to cut a leg off, and I think I can
whip him at that."

Tex Rickard is so disgusted with the
wangle of Wednesday night that it is
doubtful if he will attempt to make an-
other match.

TIRED OF LIFE AWFUL SUFFERING

From Dreadful Pains From Wound
on Foot—System All Run Down
After Six Months' Agony—Not
Able to Work—Completely Cured
in Two Weeks

MIRACULOUS CURE BY CUTICURA REMEDIES

"Words cannot speak highly enough
for the Cuticura Remedies. I am now
seventy-two years of age. My system
has been run down. My blood
was so bad that blood poisoning
had set in. I had several doctors
attending me, but finally I went to
the hospital, where I was laid up for
two months. My foot and ankle were
almost beyond recognition. Dark
blood flowed out of wounds in many
places, and I was so disheartened that
I thought surely as last chance was
slowly leaving me, as the foot did
not improve, you can readily imagine
how I felt. I was simply disgusted
and tired of life. I stood this pain,
which was dreadful, for six months,
and during this time I was not able to
wear a shoe and not able to work."

"Some one spoke to me about Cuti-
cura. The consequences were I bought
a set of the Cuticura Remedies of
one of my friends who was a drug-
gist, and the promise that I gave after
the second application is beyond
description; it seemed a miracle,
for the Cuticura Remedies took
effect immediately. I washed the foot
with the Cuticura Soap before applying
the Ointment and I took the Resolvent
at the same time. After two weeks' treat-
ment my foot was healed completely.
People who had seen my foot during my
illness and who have seen it since the
cure, can hardly believe their own eyes."

Ogden, Utah, Aug. 31.—R. H. Little
and C. D. Hagerty of Chicago, who have
been trying to break the transcontinent-
al automobile record, have abandoned
the attempt at Kelton owing to the con-
dition of the roads. They found the
desert so deeply soaked by the recent

They will, however, proceed to San Fran-

tion threatens the existence of New

STOLYPIN FOR FREE HAND

Primer Urges Czar to Give
Cabinet Power

TO MEET THE TASK

Reactionary Spirit Is Growing Rapidly
—People Driven From Streets by
Cossacks During Funeral
in Warsaw.

St. Petersburg, Aug. 31.—It is as-
serted that Premier Stolypin and his col-
leagues are employing the newspapers
which they control to fight the court
camarilla. This, it is added, is the se-
cret of the Novoe Vremya's constant
reference during the last few days to the
necessity for protecting the cabinet from
the interference of pernicious influences.

M. Stolypin, in conversation with
friends, is said to have asserted that he
is continually subjected to embarrass-
ment, adding that he was convinced that
the task which he had set himself was
impossible unless the Emperor gave him
an absolute free hand in other words
conferring upon the cabinet a practical
dictatorship.

An intimation comes from a high
source that the premier broached the
subject Wednesday night, at the first
audience which he had with his ma-
jesty since the tragedy of Aug. 25, when
the explosion of a bomb at the premier's
residence caused the loss of over 30
lives.

In the aforementioned conversation
with friends, the premier is alleged to
have said that history seemed to be re-
peating itself, the situation closely re-
sembling the closing days of the reign
of Alexander II. The reactionary spirit
was growing rapidly. Nevertheless, he
considered it vital that the government
should not take a reactionary path. If
it did not do so, he felt confident that
the measures which the cabinet projected
would result in a majority of moderates
being elected to Parliament as against
the extremists on the left, whose aim
was to overthrow the monarchy and es-
tablish a republic.

PEOPLE DRIVEN FROM STREETS BY COSSACKS

Extraordinary Precautions During Fu-
neral of Gen. Vonliarski at
Warsaw Yesterday.

Warsaw, Poland, Aug. 31.—Extraor-
dinary precautions to prevent distur-
bances or demonstrations marked the
funeral yesterday morning of Gen. Vonliarski,
who was shot and killed while
out driving here Aug. 27.
All the shops were shut, and proceed-
ing the funeral procession were squads
of mounted police and Cossacks with
rifles, as a warning to the people
not to look out of the windows. The
few pedestrians who ventured into the
streets were promptly driven indoors
by the police or troops.

Warsaw, Russian Poland, Aug. 31.—

of the houses were kept closed by order
of the authorities, and the streets and

which were lined by troops.

THE MANCHURIA INSPECTED.

Capt. Metcalfe Says It Will Be Difficult
to Save Ship.

Honolulu, Aug. 31.—Capt. John Met-
calfe, representing Lloyds, and Capt. A.
F. Pillsbury, representing the San Fran-
cisco board of marine underwriters,
upon the arrival of the Oceanic liner
Ventura off the stranded steamship
Manchuria were transferred direct in the
open sea on board the Manchuria.

After remaining a short time on board
the wrecked vessel they came overland
to Honolulu, where they held a confer-
ence with the agents and attorneys of
the Pacific Mail Steamship Company.
Capt. Metcalfe, in an interview later,
said that it was a long and strenuous
policy to rescue the Manchuria from her
present position. It will probably take
a week to place anchors securely to hold
the steamer where she is, and he declines
to say whether ultimate success can be
expected.

ROOT IS DELAYED.

United States Cruiser Charleston Kept
at Sea by Heavy Fog.

Loa, Chile, Aug. 31.—The United
States cruiser Charleston, with Secre-
tary of State Root and his party on
board, was due to arrive here Wednes-
day morning, but up to yesterday
morning the ship had not been re-
ported. A heavy fog obscured the whole
coast Wednesday and yesterday morn-
ing, and apparently delayed the progress
of the warship.

The plan when the Charleston left
Smith's channel, and as the passage is
difficult for such large ships the delay
may have occurred there. The Chilean
minister for foreign affairs, Antonio Hu-
neus, and the American minister, Mr.
Hicks, with the reception committee
from Santiago, are here awaiting Mr.
Root's arrival.

The jury was then discharged without

WILL ACT TOGETHER

Against Hague Indorsement—Americans
Deny Hostile Move in Mexico—
Turkish Troops Occupy Persian
District; a Protest.

Berlin, Aug. 31.—The foreign office
denies that any power has been com-
municating with Germany with refer-
ence to the Drago doctrine, as tele-
graphed to the London newspapers from
Rome.

The foreign office also ridicules the
London Daily Mail's Teheran despatches
about German activity in Persia. Ger-
many, it is pointed out, has no warship
in that part of the world with which to
seize an island or a port.

London, Aug. 31.—The powers, the
Standard's correspondent at Rome as-
serts, are exchanging views on the Drago
doctrine with a view to concerted ac-
tion at the Hague against the United
States, should an attempt be made to
uphold it.

statements in the press of our country
regarding an uprising against the Ameri-
cans in Mexico. We are thoroughly
informed as to the conditions existing
in the state of Chihuahua and are con-
vinced that no anti-American movement
